

We are excited to announce O'Reilly Auto Parts as a new partner for Muskie Expo 2016. As part of our partnership, O'Reilly will be offering advance discount tickets at all participating stores in the Chicago and Milwaukee areas this year.

These advance tickets offer the perfect opportunity this Holiday Season to get someone a great gift. With the incredible list of seminars and workshops, anglers of all skill levels can benefit and walk away with new knowledge. Additionally, this is a family-friendly event...what better holiday gift than to give the one you love a present that can be enjoyed with family? Best of all, you can make a weekend out of it and enjoy a great Muskie fishing trip, indoors and off the water, in the middle of Winter! For a list of seminars and events, please visit us at www.MuskieExpo.com.

We want to thank O'Reilly Auto Parts for joining us to promote the great sport of Muskie fishing and to help families enjoy more quality time in the outdoors together. Please help us give a great thank you to O'Reilly Auto Parts for their support of Muskie Fishing!

About Muskie Expo:

Muskie Expo Milwaukee has been an annual event for 24 years and is the largest Muskie-related event of its kind. The focus of the Muskie Expos is to allow anglers of all skill levels, from beginner to the most advanced, to learn tactics and techniques to allow for greater success on the water. Bringing together businesses involved with Muskie fishing and anglers in a family-friendly environment.
